

Murform Privacy Policy

The purpose of this policy is to explain to you how we control, process, handle and protect your personal information while you browse or use the website – www.murform.com.

If you do not agree to the following policy you may wish to cease viewing / using this website, and or refrain from submitting your personal data to us.

How we use your personal data

Like many site operators, we collect information that your browser sends whenever you visit our Site ("Log Data").

This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our site that you visit, the time and date of your visit, the time spent on those pages and other statistics. Information received is anonymised and cannot be linked to individuals. We use a third party service (Google Analytics) to assist in collecting, monitoring and analysing this data. This usage data may be processed to help us better understand which projects and web pages are visited so that we may improve our website and have more information to develop our business strategy in each market sector for the future. The legal basis for this processing is our legitimate interests, namely monitoring and improving our website and services. We do not sell or share any information about individual users. Usage data will be retained for a minimum period of 26 months following the date of collection, and will be automatically deleted after this time.

Details of the Google Analytics Privacy Policy can be found [here](#)

We may also process your personal data for contact purposes, if you submit an enquiry using our website contact form or contact us directly by email or telephone. The legal basis for this processing is that it is necessary to achieve our legitimate business interest, namely the promotion of our services to you at your request.

Cookie Policy

This site uses cookies – small text files that are placed on your machine to help the site provide a better user experience. In general, cookies are used to retain user preferences, store information for things like shopping baskets, and provide anonymised tracking data to third party applications like Google Analytics. As a rule, cookies will make your browsing experience better. However, you may prefer to disable cookies on this site and on others. The most effective way to do this is to disable cookies in your browser.
